

Serial No. 10/091,773

REMARKS:

Initially, Applicants thank the Examiner for the telephonic interview that the Examiner conducted with Applicants' attorney on October 14, 2005. During that interview, the Examiner and Applicants' attorney agreed that the Examiner, by Examiner's Amendment, would amend independent claims 1 and 8 to incorporate the limitation of dependent claim 27 and would cancel claims 11-27, and further agreed that such amendments would place the application in condition for allowance.

The Notice of Allowability in the present case reflected such amendments, but with a couple of typographical errors. The amendments above merely correct such typographical errors. Accordingly, entry of the above claim amendments is respectfully requested.
